I just swapped Van Nuys Division for tomorrow's CARE calendar and bumped Wilshire Division.

Hi Brad,

It was not possible to add this location to CARE+ schedule since unfortunately it was last minute. However, you can add it to CARE schedule for this week.

Please advise.

Thank you.

Hello,

I hope you had a restful weekend and were able to stay cool!

Is there any way we can add this to the CARE+ service tomorrow (since it was rescheduled)? Or is there any other LASAN crew that could get to this ASAP?

Thanks,  
Brad

Brad,

Please see the attached photo, taken by a neighbor a little while ago, of the aftermath of the latest fire at the Fulton Ave homeless camp. This is the third fire to occur in the area in the past couple of months.

Now that the firefighters have done their job, Is the city going to send a crew to clean up the mess? And is the city going to continue to allow people to camp here?

This camp is putting its residents, and the neighborhood, at risk. I do hope that the Councilman is aware of this latest development and will be informing us of his plans to find housing for the people remaining here.

We need to hear from the Councilman that he, too, is interested in restoring safety and sanitary conditions to Sherman Oaks.

Thank you,  
Gail Polevoi
